Press Release

Vanta Bioscience expands to China, APAC & LATAM

Sign exclusive service partnership for China

China to add more than 25% in topline in current fiscal

24th July 2018; Hyderabad. Hyderabad based Vanta Bioscience Ltd., a full service preclinical contract research organization with research laboratories in Chennai, has entered into an exclusive agreement with Hongkong ThinkWay Trading Limited, Hongkong, to expand its business in the pre-clinical services sector in Greater China. The Company have also entered into non - exclusive agreements to cover the markets of Latin America (LATAM) and Asia Pacific (APAC) for Chemicals and Agrochemical business. These are lucrative markets and Vanta Bioscience expects over 25% of its revenues this year to come from this initiative.

The Company believes that this association will help in obtaining key clients and further business opportunities in China and will fuel the Company's growth prospects in years to come.

About this development, M. Dopesh Raja, Managing Director, Vanta Bioscience Ltd, explained that "Our expansion into China, APAC & LATAM markets will help us in securing long term contracts as we will be in a sweet spot of demand-supply gap in many of the countries in this region, thus paving the way for a robust and sustainable growth for Vanta Bioscience."
