	Diluted (Rs.)	(1.01)	(0.63)	(0.62)

NOTES:-

1. The above results have been reviewed by the Audit Committee and thereafter approved by the Board of Directors at their meeting held on August 10, 2018 and had undergone a Limited Review by the Statutory Auditor of the Company. These financial results have been prepared in accordance with Indian Accounting Standards (IND AS) as prescribed under section 133(3) of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendments thereto.

2. The Company has received the approval of One Time Settlement (OTS) Scheme from Union Bank of India (Bank) vide sanction letters (a) dated 20.10.2017 bearing reference no. REF:IFB:CR:IND2017/18/2010; (b) dated 26.10.2017 bearing reference no. REF:IFB:CR:IND2017/18/2610; and (c) dated 19.12.2017 bearing reference no. REF:IFB:CR:IND2017/18/1912 (hereinafter referred to as the "Sanction Letters for OTS") which were duly approved by the Board of Directors in their meeting held on 20th December, 2017. The OTS proposal contains (a) the waiver of interest till March 2018, (b) the Company has written back interest liability amounting to Rs. 20,707.31 lakhs as provided in the Income Statement for the quarter ended 30.06.2017 which comprises interest charged to the Profit & Loss Account (i) upto 31.03.2017 i.e. Rs. 15,211.12 lakhs (ii) for the period from 01.04.2017 to 30.06.2017 i.e. Rs. 3,317.83 lakhs and (iii) Rs. 2,178.36 lakhs depreciated from CWIP (restructuring of loan liability amounting to Rs. 20866.44 lakhs carrying interest @ 12% MCLR (presently 8.20%) on monthly basis. MCLR to be reset on conversion of part of the loan amounting to Rs. 20,700.00 lakhs into 1% Orphanly Convertible Cumulative Redeemable Preference Shares (OCCRPS) which are redeemable in 18 quarterly instalments commencing from 30.06.2024 and ending on 31.03.2028. If the company does not pay as per stipulations, the OTS proposal will stand cancelled automatically and the bank will take suitable legal steps for recovery of entire dues. The Bank has option to convert OCCRPS into equity shares, in case of default in the payment of principal sum of the OCCRPS and Coupons on the Due Date. Provided that, a time period of 60 days to record the default for the respective instalments is allowed to the Company.

3. As on 30th June 2018, the current liabilities exceed the current assets by Rs. 88,207.18 lakhs. Due to non fulfillment of its obligations under CDR package, the Company's accounts become Non-Performing Assets (NPA). Therefore, long term borrowings had been classified as current liabilities except borrowings from Union Bank of India (refer note no. 3 above). This management has evaluated the impact of CDR and is of the view that there would be no material impact on the financial results.

4. In the matter of company's claim for eligibility of special dividend under SIP scheme Govt. of India, the Special Leave Petition (SLP) filed by the Department of Electronics & Information Technology (DEIT) against the order of the Honble High Court of Delhi has been dismissed by the Honble Supreme Court as order dated August 25, 2017. But this was cancelled in the process of a petition filed by the company in the absence of the responsible authorities, pending approval, the claim has not been recognized.

5. The management has performed an assessment of impairment of carrying value of Property Plant and Equipment under Installation, disclosed under CWIP, amounting to Rs. 50,447.87 lakhs, as at March 31, 2018. The assessment has been done taking into consideration the future cash flow projections which is based on the imposition of additional duty on imports, domestic content requirement and the competitiveness of commercial production Line C (under installation). As per such assessment, the management has determined recoverable value of assets, based on the value in use method and has recognized an impairment loss of Rs. 30,700.00 lakhs in the carrying value of Property Plant and Equipment (CWIP) during the year ended March 31, 2018. In view of the above, the management believes that there would not be any further impairment of carrying value of Property Plant and Equipment (CWIP).

6. In view of the domestic content requirement, the management's plan to commence the commercial production of Line C (under installation) since, company's claim for capital incentive (CIP) and export settlement process with the remaining orders, the management believes that it is appropriate to prepare the accounts on a going concern basis.

7. Exceptional items include (a) Waiver of interest by Union Bank of India amounting to Rs. 15,211.12 lakhs. (b) Gain on modification of loan (treated as self-liquidation) due to fair value of 1% OCCRPS in part settlement of debt of Union Bank of India amounting of Rs. 9,077.92 lakhs based on discounting rate using the rate of interest applicable on the remaining obligations by the bank. (c) Impairment of Plant & Machinery under installation and shown as capital work in progress amounting to Rs. 15,000.00 lakhs during the quarter ended 31st December, 2017. The Company's former impaired Plant & Machinery under installation shown as capital work in progress, amounting to Rs. 15,700.00 lakhs during the quarter ended 31st March, 2018.

8. Pending settlement, the Company has not provided, (i) Interest of Rs. 124,722 lakhs for the quarter ended 30th June 2018. (ii) on the basis of confirmation received, Companies liability to the ARCIL is more by Rs. 1,343.36 lakhs as on 30th June 2018 which primarily appears to be primarily compound interest on outstanding loan assigned by Andhra Bank & Indian Bank to Asset Reconstruction Company (India) Limited (ARCIL).

9. Being an Export Oriented Unit, the Company needs to achieve positive NFE during a period of 10 years from the start of commercial production. Till date the Company has spent Rs. 187,219.76 lakhs (including amortisation of plant and machinery amounting to Rs. 44,688.96 lakhs) in foreign currency for Raw Material consumption, Stores & Spares and Expenses in foreign currency including amortization of all imported Plant and Machinery Line A&B and the Company has earned foreign currency equivalent to Rs. 210,032.06 lakhs as per para 6 (9) of SFTP resulting into positive NFE Rs. 22,812.30 lakhs. In case the Company also achieves value of Line C (commercial production) up to SFTP, the Company's NFE will become negative to the extent Rs. 2,810.72 lakhs. In view of the future projections, the management is hopeful of achieving positive NFE and expects no cash outflow on this account.

10. Figures of the quarter ended March 31, 2018 being the balancing figures in respect of the full financial year ended March 31, 2018 and the un-audited year to date figures upto the nine months ended December 31, 2017.
