Solix Announces Solix EMPOWER New York 2018

Solix and industry leaders partner to present the dawn of big data applications

August 15, 2018 — New York & Santa Clara, Calif. — Solix Technologies, Inc. (**www.solix.com**), a leading big data application framework provider for empowering data-driven enterprises, today announced Solix EMPOWER New York 2018, a one-day conference aimed at educating and inspiring enterprises to become truly data driven. The conference will include keynote sessions, panel discussions, technology showcases, training, and networking opportunities.

When: Thursday, November 1, 2018

Where: Metropolitan Pavilion, New York City, New York

According to the June 2017 Forrester report, Data Commercialization: A CIO's Guide To Taking Data To Market, *"Companies' digital transformations have created a wealth of valuable data. Many have derived value from that data, either in the form of cost savings from operational insights or revenue growth from customer insights. This data monetization is internal to the organization and is a first step in putting data to effective use"*

Attendees will receive an inside look at emerging big data technologies and their applications. Key topics will include:

- Advanced Analytics
- Artificial Intelligence
- Data-driven Banking
- Data-driven Finance
- Data-driven Government
- Data-driven Healthcare
- Data-driven Enterprise
- Enterprise Data Lake
- Enterprise Archiving & Application Retirement

"Solix EMPOWER has become an industry leading conference for educating professionals on big data application frameworks," said Sai Gundavelli, Founder/CEO, Solix Technologies, Inc. *"We look forward to educating and inspiring our guests this year in New York."*

Solix Empower is an annual series of education and networking events dedicated to analytics, big data, and cloud innovations and applications. Previously, Solix EMPOWER Bangalore 2017 and Solix EMPOWER San Jose 2016 key speakers included:

- Gaurav Achra, Program Manager – Data Archival at GE Appliances
- Eli Collins, Chief Technologist, Cloudera
- Scott Gnau, CTO, Hortonworks
- Derek Judge, Senior Director, Alliances & Channel, APAC at MapR Technologies
- Chakrapani Koppula, Big Data Enterprise Architect, Wipro
- Karthik Padmanabhan, Data Science Manager at Ford Motor Company

- Kumar Saravanakumar, Sr Manager Platform and Cloud Services, Juniper Networks
- Michael Simone, Managing Director, Citigroup

"In just a few short years, Solix EMPOWER has become a tremendous success. Based on the many groundbreaking discussions from our previous events, we found that enterprises are looking to improve cost and compliance and monetizing their data — which will be a key theme for Solix EMPOWER New York 2018," said John Ottman, Executive Chairman at Solix Technologies, Inc.

Early bird registration for Solix EMPOWER New York 2018 is now open, with early bird discounts. To register, visit https://empower.solix.com/registration
