Notes:

1 The unaudited financial statements for the quarter ended June 30, 2018 have been taken on record by the Board of Directors at its meeting held on August 7, 2018. The information presented above is extracted from the unaudited standalone financial statements. The financial statements are prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2 The Company had opted for CDR of its Debt in November, 2013. The CDR package was approved by the competent authority in June, 2014 and implemented by lenders in September, 2014. The credit facilities envisaged & sanctioned under CDR package were not fully released by the lenders which resulted in sub-optimum utilization of manufacturing facilities and the company could not complete one of its spinning project where substantial amount was already incurred. All this has led to adverse financial performance and erosion in net worth of the Company. Also the company has been facing cash flow mismatch and is not servicing debt obligations as per the terms of CDR package sanctioned earlier. However, despite all this, the manufacturing capacities are operational and running. The Company has requested its lenders for a second/deep restructuring of its debts. Considering the state of art manufacturing facilities of the Company, most modernized technology, skilled labor force, professional management and inherent viability of the Company, the lenders had in-principle agreed for second/deep restructuring of the debts. Pending discussions with the lenders, State Bank of India in its capacity as financial creditor has filed a petition on 12th October, 2017 under "Insolvency and Bankruptcy Code, 2016" (IBC) with Hon'ble National Company Law Tribunal, Chandigarh Bench (NCLT). On 11th April, 2018, the NCLT vide its order of even date admitted the said petition and Corporate Insolvency Resolution Process (CIRP) has been initiated. Mr. Navneet Kumar Gupta having Registration No. IBBI/IPA-001/IP-P00001/2016-17/10009 was appointed as Interim Resolution Professional (IRP) vide order dt. 25th April, 2018 and the affairs, business and assets are being managed by the Interim Resolution Professional (IRP). The Company has preferred an appeal against the admission of petition and appointment of IRP with National Company Law Appellate Tribunal (NCLAT).

The Corporate Insolvency Resolution Process (CIRP) has since been kept in abeyance vide order dt. 22nd June, 2018 of Hon'ble High Court of Punjab

& Haryana. Accordingly, the Company has prepared these financial statements on the basis of going concern assumption. Due to non disbursement of credit facilities the Company had suffered operational losses as well as capital losses. Therefore, the Company has presented before the Adjudicating Authority counter claim & claim of set off against the banks.

3 The Company has only one Reportable Segment i.e. Textiles, hence Segment Reporting is not applicable.

4 The majority of secured lenders have stopped charging interest on borrowings, since the accounts of the Company have been categorized as Non Performing Asset. Further the Corporate Insolvency Resolution Process has been initiated under "Insolvency and Bankruptcy Code, 2016" (as referred in Note No. 2 above). In view of the above, the Company has stopped providing interest accrued and unpaid effective 1st April, 2016 in its books. The amount of such accrued and unpaid interest, calculated according to the CDR term, not provided for is estimated at Rs. 12,802 lakhs (Previous Year Rs. 54,084 lakhs) for the quarter ended 30th June, 2018 and the same has not been considered for preparation of the financial statements for the quarter ended 30th June, 2018. Due to non provision of the interest expense, net loss for the quarter ended 30th June, 2018 is reduced by Rs. 12,802 lakhs. Further the Financial Liability is reduced by Rs. 102,787 lakhs and correspondingly the equity is increased by the same amount.

5 In pursuance of the assessment of the search conducted u/s 132(1) of the Income Act, 1961 completed on 30.01.17, the Department had raised demands aggregating to Rs. 28344.39 lakhs (which includes interest upto 30.01.17 and are further subject to penalty proceedings) by making some frivolous additions to the total income of the Company. The Company had filed the appeals against these additions before appropriate authorities and the Company is hopeful that it will get relief in appeal. Considering the facts of the matters, no provision is considered necessary by management with no additional tax liability.

6 During the quarter the Company has made an allowance/impairment for trade receivables and loans & advances aggregating to Rs. 1,027 lakhs in compliance of Ind AS 109 which is charged to Profit & Loss Statement as an exceptional item. Though the company strongly believes that these trade receivables and loans & advances are fully recoverable/adjustable.

7 Figures relating to the previous period have been regrouped/rearranged, wherever necessary to make them comparable with those of the current

INDEPENDENT AUDITOR'S REVIEW REPORT

To
The Board of Directors,
SEL Manufacturing Co. Ltd.,

Introduction

We have reviewed the accompanying Statement of standalone unaudited financial results of SEL Manufacturing Company Limited (the company) for the quarter ended June 30, 2018 ("the Statement") prepared by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these standalone financial results based on our review.

Scope of Review

We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free from material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion

- 1. The company has not provided the provision of interest amounting to Rs 12802 lakhs pertaining to quarter ended on 30th June, 2018 on NPA classified bank borrowings which is not in compliance with the requirements of para 27 of the Ind AS 1-Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, borrowings are not reflected at fair value in financial statements as required by Ind AS 109, Financial Instruments.*
- 2. The company has not provided for any allowance under ECL Model for interest subsidy receivable amounting to Rs.26,621 Lakhs which consists of interest subsidy (i) under TUFS from Ministry of Textiles and (ii) Subsidy under Textile Policy of Government of Madhya Pradesh for the Financial years 2013-14 to 2016-17.*

We further report that, except for the effect, if any, of the matter stated in paragraph (2) above which are not ascertainable, had the impact of our observations made in para (1) above, the net loss and borrowings for the year ended would have been increased by Rs. 12802 lakhs and the equity would have been reduced by the same amount.

Qualified Conclusion

Based on our review conducted as above, nothing *except the above observations* has come to our attention that causes us to believe that the accompanying statement of standalone unaudited financial results read with notes thereon, prepared in accordance with Indian Accounting Standards as specified under section 133 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

The terms and conditions of the sanctioned CDR package w.r.t. interest and principal repayment were not complied with. Consequently, State Bank of India, in its capacity as financial creditor had filed a petition under Insolvency and Bankruptcy Code, 2016 (IBC) against the company with Hon'ble National Company Law Tribunal, Chandigarh Bench (NCLT) which was admitted on 11th April 2018 and Corporate Insolvency Resolution Process (CIRP) has been initiated in terms of IBC. The company has preferred an appeal against the admission of petition and appointment of IRP with NCLAT. The CIRP has since been kept in abeyance vide order dated 22.06.2018 of Hon'ble High Court of Punjab and Haryana. The company has incurred net loss of Rs.2694.86 lakhs for the quarter ending 30.06.18 resulting into accumulated losses of Rs. 239236 lakhs leading to erosion of entire net worth and current liabilities have exceeded the current assets of the company, Further concerning the company's ability to realize the value of inventories, trade receivables and other financial assets, meet its contractual/ financial obligations w.r.t. repayment of overdue principal and accrued interest on secured borrowings, arranging working capital for ensuring normal operations, further investments required towards ongoing projects under construction and the Corporate guarantee given on the behalf of its subsidiary namely SEL Textiles Limited. Moreover the company has derecognized Deferred Tax assets and MAT credit last year since availability of future taxable income is not certain. Due to financial constraints, the company has started job work operations in major spinning plants instead of pursuing its own manufacturing activities. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern and therefore company may be unable to realize its assets and discharge its liabilities in the normal course of business.

Emphasis of Matter

We draw attention to the following matters:

1. During the quarter the company has provided for allowance of Rs. 965.00 lakhs in respect of Trade Receivables under Expected credit losses (under ECL Model) and also for impairment loss of Rs. 61.57 Lakhs in respect of long outstanding Trade Advances given to suppliers.

Our conclusion is not modified in respect of the matters reported in para (1) of Emphasis of matters.

INDEPENDENT AUDITOR'S REVIEW REPORT

To
The Board of Directors,
SEL Manufacturing Co. Ltd.,

Introduction

We have reviewed the accompanying statement of consolidated unaudited financial results of SEL Manufacturing Company Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries referred to as "the Group") for the quarter ended June 30, 2018 ("the Statement") prepared by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these consolidated financial results based on our review.

The Statement includes the financial results of following entities:

1. SEL Manufacturing Co. Ltd. (Holding Company)
2. SEL Textiles Limited (Subsidiary Company)
3. SEL Aviation Private Limited (Subsidiary Company)
4. SE Exports (Subsidiary Firm)

Scope of Review

We conducted our review in accordance Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion. We did not review the financial results of overseas branch of the holding company and its four subsidiaries.

Basis of Qualified Conclusion

1. *The group has not provided the provision of interest amounting to Rs 18360 lakhs pertaining to quarter ended on 30th June, 2018 on NPA classified bank borrowings which is not in compliance with the requirements of para 27 of the Ind AS 1-Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, borrowings are not reflected at fair value in financial statements as required by Ind AS 109, Financial Instruments.*
2. *The group has not provided for any allowance under ECL model for interest subsidy receivable amounting to Rs.32952 Lakhs which consists of interest subsidy receivable under TUFS from Ministry of*

Ministry of Textiles and (ii) Subsidy under Textile Policy of Government of Madhya Pradesh for the Financial years 2013-14 to 2016-17.

We further report that, except for the effect, if any, of the matter stated in paragraph (2) above which are not ascertainable, had the impact of our observations made in para (1) above, the net loss and borrowings for the year ended would have been increased by Rs. 18360 lakhs and the equity would have been reduced by the same amount.

Qualified Conclusion

Based on our review conducted as above, nothing *except the above observations* has come to our attention that causes us to believe that the accompanying statement of consolidated unaudited financial results read with notes thereon, prepared in accordance with Indian Accounting Standards as specified under section 133 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

The terms and conditions of the sanctioned CDR package w.r.t. interest and principal repayment were not complied with. Consequently, State Bank of India, in its capacity as financial creditor had filed a petition under Insolvency and Bankruptcy Code, 2016 (IBC) against the company with Hon'ble National Company Law Tribunal, Chandigarh Bench (NCLT) which was admitted on 11th April 2018 and Corporate Insolvency Resolution Process (CIRP) has been initiated in terms of IBC. The company has preferred an appeal against the admission of petition and appointment of IRP with NCLAT. The CIRP has since been kept in abeyance vide order dated 22.06.2018 of Hon'ble Court of Punjab and Haryana. The group has incurred net loss of Rs. 8423.79 lakhs for the quarter ending 30.06.18 resulting into accumulated losses of Rs. 280240.38 lakhs leading to erosion of entire net worth and current liabilities have exceeded the current assets of the company, Further concerning the company's ability to realize the value of trade receivables and other financial assets, meet its contractual/ financial obligations w.r.t. repayment of overdue principal and accrued interest on secured borrowings, arranging working capital for ensuring normal operations, further investments required towards ongoing projects under construction and the Corporate guarantee given on the behalf of its subsidiary namely SEL Textiles Limited. Moreover the group has derecognized Deferred Tax assets and MAT credit last year since availability of future taxable income is not certain. Due to financial constraints, the company has started job work operations in major spinning plants instead of pursuing its own manufacturing activities. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern and therefore company may be unable to realize its assets and discharge its liabilities in the normal course of business.

Emphasis of Matter

We draw attention to the following matters:

1. During the quarter the company has provided for allowance of Rs. 5883.66 lakhs in respect of Trade Receivables under Expected credit losses (under ECL Model) and also for impairment loss of Rs. 65.37 Lakhs in respect of long outstanding Trade Advances given to suppliers.

Our conclusion is not modified in respect of the matters reported in para (1) of Emphasis of matters.

Other Matters

We draw attention to the following matter:

1. We did not review the interim financial results of three subsidiaries included in the consolidated financial results whose interim financial results reflect total revenues of 5900.55 lakhs for the quarter ended 30th June, 2018. The consolidated financial results also include the group's share of net loss of Rs.5702.88 lakhs for the quarter ended 30th June, 2018.

Our conclusion is not modified in respect of the matters reported in Other Matters.
