The Code on Wages will replace four laws and empower the Centre to set a national minimum wage, which has to be followed by the state governments. It also provides that the minimum wages must be revised by the central or state governments at an interval of five years and the overtime rate would be at least twice the normal rate of wages.

Analysts are of the view that the Bill could be challenged in court on the locus-standi of the Centre to take away the authority of states to lay down minimum wage norms. Labour is in the concurrent list of the Constitution, which enables both Centre and states to make laws.

Approved by the Lok Sabha on April 10, 2017 but pending in the Rajya Sabha, the Motor Vehicles (Amendment) Bill, 2016 seeks to amend the Motor Vehicles Act, 1988 to address issues related to the third party insurance, regulation of taxi aggregators, and road safety. The government has removed the proposed cap on third-party motor insur-

The Airports Economic Regulatory Authority of India (AERA) Bill, 2018 was introduced in the Lok Sabha on July 18 to allow pre-determined tariff structures for airports. It aims at enhancing the threshold for qualifying as major airports from 1.5 to 3.5 million passengers per annum.

Other important pending Bills include the Banning of Unregulated Deposit Schemes Bill, 2018, the Factories (Amendment) Bill, 2016, the Chit Funds (Amendment) Bill, 2018, the Consumer Protection Bill, 2018 and the National Medical Commission Bill, 2017.

Approval to the Prevention of Corruption (Amendment) Bill, 2013 is being touted as a key achievement by the government. Public servants, especially bankers, will have a sigh of relief as the amendment has drastically reduced the scope of their unfair investigation or arrest for genuine error of judgement in policymaking and will thus enable them to take bold commercial decisions. Besides amending GST laws to give effect to some business-friendly measures, Parliament also gave nod to the Negotiable Instruments (Amendment) Bill, 2017 that allows courts to direct partial payment of fine or compensation to the payee during trial or on filing an appeal in cheque bounce cases.

Coloured stickers to identify fuel of vehicles

FE BUREAU
 New Delhi, August 13

TO IDENTIFY CLEANER vehicles, the Ministry of Road Transport and Highways (MoRTH) on Monday told the Supreme Court that it is planning to have hologram-based coloured stickers on vehicles which would indicate the nature of fuel being used. The court accepted the ministry's proposal that said hologram-based light blue sticker would be used in vehicles using petrol and CNG fuel, while an orange sticker would be put on diesel-run vehicles. Additional solicitor general ANS Nadkarni, who was representing the MoRTH, told a Bench headed by justice MB Lokur that hologram-based coloured stickers would help policymakers and the public in identifying cleaner vehicles and restrict the use of dirtier fuel-run vehicles.
