- . The above unaudited consolidated results of Nitesh Estates Limited ('the Company'), its subsidiaries and joint venture (together referred to as 'the Group') has been reviewed by the Audit committee and on their recommendation has been approved by the Board of Directors at their meeting held on August 10, 2018. The statutory auditors have conducted a limited review of the consolidated Financial Results of the Group for the quarter ended June 30, 2018. These results are uploaded on the Group website i.e. www.niteshestates.com and on the Stock Exchanges where the shares of the Group are listed i.e. www.bseindia.com and www.nseindia.com. These results include the result of the following subsidiaries, joint ventures and associates companies. Subsidiaries: Nitesh Housing Developers Private Limited, Nitesh Urban Development Private Limited, Nitesh Indiranagar Retail Private Limited (subsidiary: Nitesh Pune Mall Private Limited) formerly known as Anuttam Developers Private Limited), Nitesh Office Parks Private Limited formerly known as Kakanad Enterprises Private Limited, Nitesh Property Management Private Limited, Courtyard Constructions Private Limited. Joint Ventures: Nitesh Estates-Whitefield The information presented above is prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- 2. IND AS 115- Revenue from Contracts with Customers has been notified by Ministry of Corporate Affairs (MCA) on March 28, 2018 and is effective from accounting period beginning on or after April 01, 2018, which replaces existing revenue recognition requirements. The application of Ind AS 115 has impacted the Group's accounting for recognition of revenue from real estate projects. There has been no significant impact on the retail business of the Group. The Group has applied the "modified restrospective approach" to contracts that were not completed as on April 01, 2018 and has given impact of Ind AS 115 application by debit to retained earnings as at the said date by Rs 18,663 Lakh (net of tax except for subsidiaries on account of uncertain future taxable income, as applicable). The Group has reversed the revenue to the extent of Rs. 121,251 Lakh and cost to the extent of Rs. 100,348 Lakh which was recognized till 31st March 2018 under the erstwhile standards pending the completion of performance obligation from the Group to its customers. Accordingly, the comparatives have not been restated and hence are not comparable with the previous period figures. Due to application of Ind AS 115 for the quarter ended 30th June 2018, revenue from operations is lower by Rs. 394 Lakh and cost of sales is lower by Rs. 429 Lakh, than that what it would have been if the replaced standards were applicable. Similarly the basic and diluted EPS for the quarter is Rs. -3.03 instead of Rs. -3.28 per share
- 3. The Group primarily operates in two business segments 'Residential' and 'Retail'. All operations are in India and hence there is no geographical segment.
- 4. Figures for standalone financial results

- The figures for the quarter ended March 31st 2018 are the derived balancing figures between the audited figures in respect of full financial year ended 31st March 2018 and unaudited figures in respect of nine month period ended 31st December 2017 which were subjected to Limited Review.
