INDEPENDENT AUDITORS' REVIEW REPORT

TO THE BOARD OF DIRECTORS OF MAHANAGAR TELEPHONE NIGAM LIMITED

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results (“the Statement”) of **MAHANAGAR TELEPHONE NIGAM LIMITED** (“the Company”) for the quarter ended June 30, 2018, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016. This Statement is the responsibility of the Company’s Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Basis for Qualified Conclusion

Based on the information provided to us by the Management of Mahanagar Telephone Nigam Limited, we have given in the **Annexure – I** to this report the basis for qualified conclusions.

4. Qualified Conclusion

Based on our review conducted as stated above, except for the observations / matters mentioned in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results read with notes thereon, prepared in accordance with the applicable Indian Accounting Standards (Ind-AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016,

6

including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter

The license agreement between the Company and Department of Telecommunication (DOT) does not have any guidance on change in method of calculation of Adjusted Gross Revenue (AGR) due to migration to Ind-AS from I-GAAP. Provisioning and payment of liability in respect of license fees and spectrum usage charges payable to DOT has been done on the basis of Ind-AS based financial statements. The amount of difference in computation of Adjusted Gross Revenue (AGR) is under consideration of DOT.

Our conclusion is not modified in respect of this matter.

As per MOU, revenue and expenditure will be based on the price offered to the customers after applying the discount, if any at the time of acquiring the business. However, Revenue has been recognized on the basis of available information which is either based on the Company Card Rates or Old rates of BSNL. In Some Cases, BSNL has given the information in respect of updated rated but the same has not been considered at the time of booking of revenue sharing with BSNL. In the absence of relevant updated records, we are not in a position to comment on the impact thereof on the attached unaudited standalone financial results of the Company for the quarter ended on June 30, 2018.
- c) The Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to Rs. 115.61

- d) The Company has recognized Income and Expenditure arising on account of revenue sharing with BSNL excluding of Service Tax and Goods and Service Tax (GST) where the demand note/invoices are raised to and received from BSNL inclusive of the aforesaid taxes but the accounting treatment of the aforesaid taxes are being recognized by the Company at the time of settlement with BSNL. In the absence of any information/working, the impact thereof on attached unaudited standalone financial results of the Company for the quarter ended on June 30, 2018 cannot be ascertained and quantified.
- 3) The Company continues to allocate the establishment overheads towards capital works in a manner which is not in line with the accepted accounting practices and Indian Accounting Standard – 16 “Property, Plant and Equipment” prescribed under section 133 of the Companies Act, 2013, the same results into overstatement of Capital Work in Progress / Property, Plant and Equipment and understatement of losses. - 5) Up to financial year 2011-12 License Fee payable to the DOT on IUC charges to BSNL was worked out on accrual basis as against the terms of License agreements requiring deduction for expenditure from the gross revenue to be allowed on actual payment basis. From financial year 2012-13, the license fee payable to DOT on IUC charges to BSNL has been worked out strictly as per the terms of License Agreement. However shortfall of Rs. 140.36 Crores on this account for the period up to financial year 2011-12 shown as contingent liability in 2014-15 has not been provided for till June 30, 2018 resulting into understatement of current liabilities and understatement of loss to that extent.

9

- 6) Except for the impairment loss of assets of CDMA units provided in earlier years, No adjustment has been considered on account of impairment loss, if any, with reference to Indian Accounting Standard – 36 “Impairment of Assets” prescribed under section 133 of the Act as at June 30, 2018. In the absence of relevant records, we are not in a position to comment on the classification, capitalization and amortization of the same as leasehold and also the consequential impacts, if any, of such classification, capitalization and amortization not backed by relevant records. In the absence of relevant records, impact of such classification on the attached unaudited standalone financial results of the Company for the quarter ended on June 30, 2018 can't be ascertained and quantified.
- 9) Department of Telecommunication (DOT) had raised a demand of Rs. 3,313.15 Crores on account of one time charges for 2G spectrum held by the company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.

As explained the demand for spectrum usage for CDMA has been revised by Rs. 107.44 Crores on account of rectification of actual usage.

Also as explained, pending finality of the issue by the company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by the Company and because of the matter being sub judice in the Apex Court on account of dispute by other private operators on the similar demands, the amount payable, if any, is indeterminate. Accordingly, no liability was created for the demand made by DOT on this account and Rs. 3,205.71 Crores had been disclosed as contingent liability.

In view of the above, we are not in a position to comment on the correctness of the stand taken by the company and the ultimate implications of the same on the attached unaudited standalone financial results of the company for the quarter ended on June 30, 2018.

10
