Sub.: **Amendment of import policy condition of Petcoke by the Ministry of Commerce & Industry – Govt. of India**

Ref: **Hon'ble Supreme Court's Order dt. 26.07.2018 w.r.t. Import of Pet Coke**

Dear Sirs,

As informed to the Exchange earlier, the Hon'ble Supreme Court of India vide aforesaid order dt. 26.07.2018 has allowed import of Pet Coke only for the cement, lime kiln, calcium carbide and gasification industries when used as the feedstock or in the manufacturing process.

Accordingly, the Ministry of Commerce & Industry vide Notification No. 25/2015-2020 dated 17<sup>th</sup> August 2018 (copy enclosed), has amended the import policy conditions of Petcoke prohibiting the import thereof into India for fuel purpose. However, import of Pet Coke is free for Cement, Lime Kiln, Calcium Carbide and Gasification industries for use as feedstock or in the manufacturing process only on Actual User basis.

At present, the said Notification by the Ministry of Commerce & Industry will impact the ability of the Company to import the Raw/Green Petroleum Coke which is essential for the production of the Calcined Petroleum Coke.

The Company uses anode grade Green/Raw Petroleum Coke only as "Feedstock" for producing Calcined Petroleum Coke and complies with the environmental standards and the norms specified by the respective State Pollution Control Boards of the States in which it operates.

It is also to be noted that the decision of the Hon'ble Supreme Court of India on the use of imported pet coke in the steel industry and aluminium industry is still under consideration.

In view of the above, the Company has filed an application with the Hon'ble Supreme Court of India representing that being an indispensable subset, the Calcination Industry can be considered along with that of the Aluminium Industry for allowing the import and use of the pet coke in the manufacturing process as feedstock and has sought the necessary clarification on the order dated 26.07.2018.

This is for your information.

Yours faithfully,  
For **Goa Carbon Limited**
