1. Details of the Buyback offer:

The Board of Directors ("Board") of Weizmann Limited ("the Company") at its meeting held on June 4, 2018 ("Board Meeting") approved the proposal of Buy back at ₹ 700/- (Four Lakh Thirty Six Thousand Four Hundred and Seven) fully paid-up Equity Shares of face value ₹ 10 each, at a price of ₹700/- per share for an amount not exceeding ₹36,467 (Rupees Thirty Crore Sixty Five Lakhs only) for the equity shares listed on the National Stock Exchange ("NSE") and BSE.

The Board of Directors at their meeting approved the Press Release Notice dated June 4, 2018 ("Press Release Notice"), to seek the approval of the Shareholders of the Company for the Buyback through a Special Resolution.

The Shareholders of the Company approved the "Buyback of ₹ 4,36,467 (Four Lakh Thirty Six Thousand Four Hundred and Seven) fully paid-up Equity Shares of face value ₹ 10 each, at a price of ₹700/- (Rupees Seven Hundred and Two Only) per share, payable in cash, for an amount not exceeding ₹36,467 (Rupees Thirty Crore Sixty Five Lakhs only) which excludes transaction costs such as service charges, stamp duty, filing fees, advices' fees, brokerage, public announcement expenses, printing and disposal expenses, legal expenses, audit fees, professional fees, etc." The results of the Press Release Notice were announced on August 03, 2018 ("Shareholders' Approval").

The Buyback is in accordance with Article 15 of the Articles of Association of the Company and the provisions of Sections 68, 69, 70 & 71 and other applicable provisions, if any, of the Companies Act, 2013 ("the Company Act"), the Companies (Amendment) Act, 2013 ("the Amendment Act"), the Securities and Exchange Board of India (Buyback) Rules, 2014, including any amendments, statutory modifications or re-enactments thereto, for the time being in force and in compliance with the "Buyback Regulations".

The Buyback is subject to approvals as may be necessary, from time to time from statutory authorities including but not limited to the Securities and Exchange Board of India ("SEBI"), BSE Limited ("BSE") and National Stock Exchange of India Limited ("NSE") (hereinafter referred to as "Stock Exchanges"), where the Equity Shares of the Company are listed.

In accordance with the provisions of the Company Act, 2013, the Buyback Size is ₹ 36,467 Crores which is 20.09% of the fully paid up equity share capital of the Company. The Board of Directors of the Company has decided to accept the buyback on June 31, 2018 (the last audited financial statement available as on the date of Board Meeting approving the Buyback) and is within the statutory limit of 25% of the fully paid up equity share capital and free reserves as per the last audited financial statement of the Company. Further, Under the Companies Act, the shareholders have been given the option to accept or reject the buyback proposal by voting in the shareholders' meeting.

A copy of the Public Announcement will be made available on the Company's website (www.weizmannforex.com) and the website of the Stock Exchanges (www.sebi.gov.in) during the period of the Buyback and on the website of the Stock Exchanges (www.bseindia.com and www.mseindia.com).

2. Necessity for the buyback:

The Board at its meeting held on June 4, 2018 took into account the accumulated free reserves as well as the cash liquidity available in the audited accounts for the financial year ended March 31, 2018. After considering all relevant factors and taking into account the financial needs of the shareholders of the Company in the short medium and long term, the Board was of the view that there is no immediate need of utilising surplus by the Company. The surplus available with the Company can be utilised for the benefits of the Shareholders through Equity Shares of the Company. Buyback being a more efficient mode of returning surplus cash to the Shareholders can be utilised for the benefit of the shareholders. The Board of Directors of the Company has recommended the buyback hence recommended the buyback. Board of Directors decided to allocate a sum of ₹36,467 Crores excluding transaction costs viz. brokerage, applicable taxes such as securities transaction tax, service tax, stamp duty, etc., to the shareholders holding Equity Shares of the Company through the Buyback.

The buyback is a means to return surplus cash to the equity shareholders compared to other alternatives including interim dividend, etc., for the following reasons:

- i. The buy-back gives an option to the equity shareholders to participate in the buy-back and receive a return/increase in Equity Share value, whereas in the buy-out or buy-back options the company only pays the buy-back.
- ii. The buy-back helps to return surplus cash to its shareholders, in proportion to their shareholding, thereby enhancing the overall return to shareholders.

iii. The buy-back would be in improving certain key financial ratios of the Company.

iv. The buy-back, which is being proposed through the Tender Offer route as described under the "Buy-back Regulations", is a more cost effective way of returning surplus cash to the shareholders of the Company. In the Buy-back Regulations, a "small shareholder" is a shareholder of a listed company, who holds shares or other specified securities whose market value, on the basis of closing price of shares or other specified securities, on the recognized stock exchange in which highest trading volume in respect of such security, as on record date, is 25% or less of the total trading volume of such security.

3. Maximum amount required under the buy-back & its percentage of the total paid-up capital and free reserves and number of shares from which the buyback would be financed:

Pursuant to Section 68 (2) (c) of the Companies Act, 2013 a Company can buyback 25% or less of the aggregate paid-up equity capital available for buyback as per the provisions of the "Buyback Regulations". The proposed buyback of ₹ 36,467 Crores (hereinafter referred to as "Buyback") is within the limit of 25% of the total paid-up equity capital of the Company in financial year as on March 31, 2018 and is therefore within the limit of 25% of Company's fully paid up share capital and free reserves as prescribed under Section 68 (3) of the Companies Act, 2013. This amount excludes any transaction costs and/or securities transaction tax, service tax, stamp duty, filing fees, advices' fees, brokerage, public announcement expenses, printing and disposal expenses, legal expenses, audit fees, professional fees, etc.

Further, the number of Equity Shares that can be bought back in any financial year cannot exceed 25% of the total paid-up equity capital of the Company in financial year.

Accordingly, the maximum number of Equity Shares that can be bought back in any financial year is 25% of the total paid-up equity capital of the Company in financial year as on March 31, 2018 (Equity Shares). Since the Company proposes to buyback ₹ 36,467 Crores, the maximum number of Equity Shares that can be bought back is 25% of ₹ 145,830 Crores.

The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company and no funds will be borrowed from Banks and Financial Institutions for the Buyback.

The Company shall transfer from its free reserves a sum equivalent to the nominal value of the equity shares bought back through the Buyback as per the terms and conditions of the Buyback.

The Company confirms that as required under Section 68(2) (d) of the Act, the ratio of the aggregate of secured and unsecured debts owned by the Company will not be more than twice the paid up equity share capital and free reserves owned by the Company.

4. Maximum buy-back Price and the basis of arriving at the Maximum buy-back price:

The buyback price is ₹700/- per equity share. The Buyback Price has been arrived at after considering various factors including, but not limited to the trends in the volume weighted average market prices of the Equity Shares on BSE Limited ("NSE") and National Stock Exchange of India Limited ("NSE") where the Equity Shares are listed.

The buyback price is arrived at after considering the current market price of the Equity Shares and the possible impact of Buyback on the earnings per share.

The shares are being offered for buyback at a price of ₹700/- per equity share, over the closing price of equity shares on BSE Limited ("NSE") and National Stock Exchange of India Limited ("NSE") for the day of the tender offer.

5. Number of shares that the Company proposes to buyback and the time limit for the buyback:

The Company proposes to buyback up to ₹ 4,36,467 (Rupees 4,36,467/-) per equity share.

The buy-back is proposed to be completed within 12 months from the date of passing the special resolution approving the proposed buy-back.

6. Method to be adopted of buy-back:

The buyback will be carried out through the Company's "Tender Offer" route as proposed under "Mechanism for acquisition of shares through Stock Exchange pursuant to tender offer under Buyback" notified by Securities and Exchange Board of India ("SEBI") vide circular CIR/C/POLICY/CLU/2015 dated April 13, 2015 as amended via CIR/C/POLICY/CLU/2015 dated December 04, 2016, including any amendments thereto.

As required under the Buyback Regulations, the Company has issued a letter dated 16, 2018 as the record date ("the Record Date") for determining the entitlement and names of the shareholders holding Equity Shares of the Company who will be eligible to participate in the buyback. In this regard, each shareholder holding Equity Shares will be entitled to receive a letter from the Company ("Shareholder Letter") indicating the entitlement of the shareholder participating in the buyback along with a tender offer form.

The Shareholders of the Company will determine the entitlement of each shareholder participating in the buyback.

7. Reservation for Small Shareholders:

The Company will ensure that no shareholder holding less than 100 Equity Shares will be entitled to participate in the buyback.

All shareholders holding less than 100 Equity Shares will be referred to as the "small shareholder".
