Bank of Khartoum Group Selects iCashpro+ Cash Management Platform From Aurionpro to Empower UAE and Bahrain branches Operations.

Mumbai (India), September 17, 2018:

Aurionpro Solutions Ltd (NSE: AURIONPRO) (BSE: 532668) today announced that Bank of Khartoum Group (BOK), the largest and oldest bank in Sudan, has selected iCashpro+ cutting edge cash management platform with the corporate front-end and payments to empower their UAE and Bahrain international branches' operations. The solution will enable BOK to effectively manage and facilitate its cash management services to its corporate and SME customers in UAE and Bahrain.

iCashpro+ corporate internet portal facilitates corporate for 24*7 banking, real time access to account information, self service capabilities and access to various services offered by the bank in a convenient and secured manner. The powerful and market proven payment module will enable BOK to carry out payment transactions in a much faster and efficient manner with the capability to handle all types of payment modes. This platform provides consolidated payment operations, which offers greater efficiency and delivers innovative payment services to the banks and the corporates and also has a proven track record of handling huge volumes efficiently and capability of processing bulk transactions as well.

Mr. Fadi Al Faqih, Group CEO, Bank of Khartoum Group, Sudan said: *“Bank of Khartoum Group is continuing its strategic initiatives in the introduction of highly advanced banking technologies to their clients, adopting best practices, and developing innovative and diversified banking products to its our valued corporate customers across the region. Selecting Aurionpro's Cash Management System for our international branches in UAE and Bahrain came as a natural choice given its reputable performance efficiency and satisfactory feedback from the users on its efficiency and user friendly attributes as a banking platform”.*

Commenting on the successful implementation, **Shekhar Mullatti, Global Head, Banking, Aurionpro said,** *“We are happy to be chosen by Bank of Khartoum as their technology partner to enable them through this journey. This is yet another testimony of our Cash Management solution’s superior functionality and our leadership in the cash management space in this region. We are confident our product will empower the bank to streamline their business while improving process efficiency and reduce delinquencies.”*

About Bank of Khartoum:

Established in 1913, Bank of Khartoum is the largest banking group in Sudan operating under Islamic Banking Standards and Principles. Being the oldest in Sudan operating for more than 100 years, the Bank has been playing a vital and key role in driving the economic and financial development in Sudan by continuously introducing pioneering banking products and services. Its contribution has been immense in availing finance to many of the nations' strategic infrastructure and development projects while championing corporate social responsibility programs through extending funding for health care, education, sporting and cultural projects and initiatives across Sudan.

The Bank offers a full range of innovative financial products and services in Corporate, SME, Retail, and Investment Business Segments. The scope of services extends through 7 subsidiaries in trade, foreign exchange, brokerage, microfinance, commercial real-estate, cash transit, and telecom sectors; in addition to two international branches in Bahrain and the UAE.

Headquartered in Khartoum, Sudan, Bank of Khartoum has over 2500 employees, 150 branches / sub-branches in Sudan and one overseas wholesale branch in Kingdom of Bahrain, and over 290ATM/CDM network. The Bank also has a 24-hour call centre, VIP banking and a full suite of e-services which include online banking, SMS alerts, mobile banking, and mobile money application.
