PRESS RELEASE
CSR Initiative

Maruti Suzuki partners with Zydus, sets up modern polyclinic in Becharaji, Gujarat

Facility to provide OPD, X-ray, ultrasound, ECG, pathology and minor operation services at subsidized rates

Communities in Hansalpur, Sankhalpur, Adiwada and Sitapur to also benefit

Becharaji / New Delhi, September 26, 2018: Access to quality and affordable health care services is a challenge in Becharaji and surrounding villages, especially as rising industrial and economic activity in the region causes a rapid increase in population. Maruti Suzuki India Limited, which has undertaken relevant CSR projects in water, sanitation, infrastructure development and school education in its 26 adopted villages in Haryana and Gujarat, has identified quality health care at affordable prices as a major need in the area. To serve this need, Maruti Suzuki has partnered with Zydus Hospitals, a leading provider of healthcare services, to set up a modern Polyclinic (Health centre) facility at Becharaji.

The facility will be managed and operated by Ramanbhai Foundation through Zydus Hospitals. The facility will be fully funded by Maruti Suzuki India through its CSR arm, Maruti Suzuki Foundation.

The Polyclinic was jointly inaugurated today by Mr. Pankaj Patel, Founder Chairman, Zydus Hospitals and Mr Kenichi Ayukawa, Managing Director & CEO, Maruti Suzuki India Limited in the presence of community leaders including Sarpanch of Becharaji village, Shri Devangbhai Pandya.

On the occasion, **Mr. Kenichi Ayukawa, Managing Director, MSIL**, said, *"Residents of Becharaji and neighbouring areas require access to good quality healthcare at affordable rates. To meet this need, Maruti Suzuki has taken a first step by setting up a Polyclinic to offer primary health and diagnostic services. Together with our interventions in water and sanitation, infrastructure development and education, we recognize that health care is of prime importance in improving the quality of life of local residents. We are thankful to Zydus Hospitals, a leading healthcare*
