Alaska Airlines selects Accelya group's financial solutions

Barcelona / Mumbai, September 17, 2018: Accelya, a leading provider of financial and commercial solutions to the airline and travel industry, today announced that Alaska Airlines has selected Accelya's integrated suite of financial solutions to help streamline their financial processes.

With annual passenger traffic of 44 million passengers, Alaska Airlines is the fifth-largest U.S. airline. As part of this engagement, Accelya will deploy its revenue accounting solution REVERA® coupled with its payment solution VIVALDI and refund management solution MOZART. Accelya's hosted solutions will allow Alaska Airlines to optimize their current processes to meet current and future business needs while helping to increase efficiencies, reduce system failure risks as well as minimize overhead and ownership costs.

"We selected Accelya as a partner due to the depth and maturity of their financial suite of products as well as Accelya's proven implementation track record and its large global customer base" said Kevin Thiel, MD Accounting Operations. "We believe that the integrated financial suite will allow us to support our growth strategies and help our teams adapt to the evolving regulatory and industry accounting and financial processes."

Speaking on the occasion Neela Bhattacharjee, Managing Director, Accelya Kale Solutions Limited said, "We are delighted that Alaska Airlines has chosen to partner with Accelya for streamlining their financial processes. I am confident that our solutions will add value to meet their business objectives and look forward to support them in their growth."
